Subject: Updating License renewal records into your online system.

Ref.: Complaints from members.

Respected Sir,

Indian Society of Structural Engineers (ISSE) has been working for last twenty five years for the betterment of civil engineering profession. We have more than 3000 members and we publish quarterly technical journal. A copy is enclosed for your reference.

Many of our members are holding structural license from Municipal Corporation of Greater Mumbai. We appreciate your efforts in streamlining procedures for issuing new licenses and renewal of existing licenses through MCGM online portal.

There are many complaints from our members that even after renewing the license and after paying the fees, the records on MCGM portal are not updated. Engineers have to make rounds to your office to get the records corrected and many members are facing a lot of hardship in doing so.

It is our humble request to look into the matter and see that the online records are updated automatically once the new certificate is issued to the applicant.

As an example a copy of license which is "valid up to Mar 2025 but online system shows pending renewal " is enclosed for your reference.

We hope and expect your kind co-operation in the matter.

Thanking you.

Yours faithfully,

Shantilal Jain
