

A Report of The Technical Lecture @ IEI Belapur On 11th July 2025.

ISSE Navi Mumbai Centre in association with the IEI Navi Mumbai Centre conducted a technical lecture on 12th June 2025 at the Institution of Engineers Auditorium, Belapur. After offering floral tribute to our legend Sir M Viswesaraya, the lecture started at 7.00pm Dr K.M Godbole, president of ISSE Navi Mumbai, welcomed the dignitaries. Er Shantilal Jain, immediate past president of ISSE Mumbai and chairman of ISET Mumbai chapter addressed the audience highlighting the contributions of ISSE. Dr Mohan B Dagaonkar, Ex Chief Engineer of Navi Mumbai Municipal Corporation and past chairman of IEI MSC and ISSE NM, energized the audience with his inspiring address. President of ISSE Mumbai Er Hemant Vadalkar gave a short speech on the various activities of ISSE. A Detailed technical presentation on “the Selection of efficient structural system for Low, Medium and Highrise Buildings” was delivered by Er Shekhar Gate, a very eminent structural consultant of Mumbai and director of M/s Optimal Consultancy Services Pvt Ltd. The presentation was very much interesting and enriching to the engineers present and all appreciated the presentation with a loud applause. Er Rohit Pandya, of M/s Ultratech Cements Ltd gave a Brief presentation on the various materials, products and services offered by Ultratech Ltd for the building construction industry, which was very informative to the engineers present. Er Vijay Kamble chairman of IEI MSC anchored the even and Hon Secretary Navi Mumbai ISSE and Director of Eco-Safe Consulting Engineers Belapur, Er Sabu K Scaria, proposed vote of thanks. The event concluded with a delicious dinner for all participants. The event was sponsored by M/s Ultratech Cements Ltd.
